Professional Summary

A passionate and innovative Full-Stack Web Developer with 1.5 years of experience in creating visually appealing, functional, and user-focused web applications. Proficient in HTML, CSS, JavaScript, TypeScript, React, Angular, and Next.js, with hands-on experience in Node.js, Express.js, databases, and authentication. My fresh perspective and eagerness to learn enable me to craft end-to-end solutions that prioritize aesthetics, usability, performance, and scalability, delivering reliable results that meet and exceed expectations.
